Re: *WSPP Inc.*, Docket No. ER12-_____-000

Honorable Secretary Bose:

Pursuant to section 205 of the Federal Power Act (“FPA”), 16 U.S.C. § 824d, and section 35.13 of the Federal Energy Regulatory Commission’s (“Commission”) regulations, 18 C.F.R. § 35.13, *WSPP Inc.* (“*WSPP*”) submits revisions to the List of Members in the *WSPP* Agreement.

On October 4, 2010, as amended on November 29, 2010, *WSPP* submitted revisions to the List of Members to include additional members of *WSPP* and to reflect member name changes and termination of memberships.¹ Subsequent to the October 4 Filing, *WSPP* conducted an internal audit of its members’ files to ensure, among other things, the accuracy of the information included on the List of Members. *WSPP* includes in this filing two categories of revisions to the List of Members: revisions that reflect changes that occurred after the October 4 Filing; and, revisions that result from *WSPP*’s internal audit.

While the metadata for the List of Members included in this filing should state an effective date of October 21, 2011, the date of this filing, *WSPP* requests multiple effective dates, each to correspond with the date of the applicable change of status of a given *WSPP* member. To make review of this filing more efficient, *WSPP* includes as Exhibit No. 1 a table detailing the changes it proposes to the List of Members in the *WSPP* Agreement and the requested effective date for each change. This filing is submitted to effectuate these necessary changes, and the List of Members should be amended accordingly.

¹ *WSPP Inc.*, Letter Order, Docket Nos. ER11-19-000 and ER11-19-001 (Jan. 6, 2011) (accepting the October 4 Filing as amended by the November 29 Filing).
